## 3. DELEGATES

- a. **Branches:** To determine your branch representation:
- every branch is entitled to send one accredited delegate for every 100 voting members or fraction thereof, which includes ordinary, associate, life, and affiliate-members (Subsection 903.a).
  - branch representation is based on the number of paid-up voting members at the end of the preceding calendar year (Subsection 903.b). However,

every delegate to a Dominion Convention must be paid up to the end of the current year (Section 905). Delegates, therefore, must be members in good standing and paid up to 31 December 2021.

- branches formed on or after 1 January 2021 are entitled to send one delegate to the convention; the delegate must have their dues paid up to 31 December 2021 (Subsection 903.c).

It is vital to the successful organization of the convention that branches pay particular attention to the above constitutional requirements.

- b. **Dominion Executive Council:** Voting members of the Dominion Executive Council who are not accredited branch delegates shall be accredited delegates to the convention (Subsection 907.a); however, they may only carry proxies if they are an accredited branch delegate as defined in Section 911 of The General By-Laws.
- c. **Past Dominion Presidents:** All Past Dominion Presidents who are not accredited branch delegates shall be accredited delegates to Convention (Subsection 907.b); however, they may only carry proxies if they are an accredited branch delegate as defined in Section 911 of The General By-Laws.

#### 4. DELEGATE ACCREDITATION: CREDENTIAL CERTIFICATE

To become an accredited delegate, branches are to complete the Credential Certificate located at <https://www.legion.ca/2021convention> and **forward to your Provincial Command office.**

It is important that the Credential Certificate be completed properly. The Convention Credentials Committee must ensure that individuals registering as delegates are properly accredited; if incorrect or incomplete information is received, the member's accreditation could be jeopardized. **Providing the correct email address is imperative as this will be the main format for communicating with delegates.**

Provincial Commands will provide delegate lists to the Convention Credentials Committee by 5 July 2021.

---

Important: It is extremely important that only delegates accredited by their branch be permitted to take an active part in deciding matters of policy at a Dominion Convention. The Convention Credentials Committee does not wish to turn away any properly accredited delegate; neither does the committee wish to permit unauthorized persons to vote on matters of Legion policy.

---

## 5. VOTING AND PROXIES

Only accredited delegates may vote at convention (Section 914). Each delegate will have one vote; when an election ballot vote is required, however, proxies may be used.

- Any delegate, accredited by the branch of which he is a member, may carry, in addition to his own credentials, up to four proxy credentials. These proxies may be from any branch or branches within his own Provincial Command (Section 911).
- Proxies must be registered by 5 July 2021 and may only be used when an election ballot vote is required (Section 912).
- Every proxy, to be valid, shall include a credential certificate naming the delegate entitled to register such proxy (Section 913).

A branch that wishes to be represented by proxy must complete a Credential Certificate in order that the delegate designated as the holder of the proxy can make use of the vote(s) at their disposal. Strict attention to this requirement will prevent delay and possible disappointment when credentials are being examined by the Convention Credentials Committee.

---

Important: In order for a delegate to carry proxies, the person must be an accredited delegate of their own branch.

---

## 6. REGISTRATION PROCESS

The registration process will close on 5 July 2021.

Delegates will be registered on-line once the credential certificates are received. Upon receiving the credential list from each Provincial Command an email will be sent to each delegate directing them to go to <https://www.legion.ca/2021convention> for payment of the registration fee. Once paid each delegate will receive a code via the email address provided to enable access to the Convention on-line platform.

Those that wish to register as an observer will have to contact the Dominion Command Supply department by phone at 1-888-301-2268.

All payments are by Visa, Visa Debit, Mastercard or Debit Mastercard.

## 7. REGISTRATION FEES

The fees, payable only at the time of registration, are:

Delegate: \$30

Observer: \$10

## 8. RESOLUTIONS

Resolutions to be dealt with at convention:

- shall be submitted from a branch through the respective Provincial Command (Subsection 919.a).
- may be submitted by a branch or branches, command or standing committee of Dominion Command (Subsection 919.b).
- must be received at Dominion Command at least 112 days prior to the opening of the convention (Subsection 919.c).

---

Deadline for receipt of resolutions at Dominion Command was **24 April 2021**.

---

**Late resolutions:** Resolutions received **after 24 April 2021** will be considered as Late Resolutions. Late resolutions will be referred to the Dominion Executive Council meeting prior to the Dominion Convention. Only those resolutions considered urgent will be presented to the convention for consideration; resolutions deemed not to be urgent will be returned to the respective Provincial Command following the Dominion Convention.

**Brought Back Resolutions:** In the event that any committee reporting to the convention does not concur in or does not report on any resolution duly submitted for its consideration, any accredited delegate may, subject to the following conditions, request that such resolution emanating from within his own command be presented to the convention:

- i. The request has the support of a majority vote of the caucus from that delegate's command, such majority support to be proved by a written certificate to that effect, signed by the president of the command or the chairman of the caucus.
- ii. The request to introduce such resolution has been submitted in writing, on a form provided by Dominion Command.
- iii. The request shall be submitted to the Convention Chairman not later than – **3:00 PM 14 Aug 2021**.

---

Important: Branches are to ensure that all resolutions are submitted prior to the deadline established by their respective Provincial Command. Allowance must be made for the length of time mail takes in transit.

---

## 9. QUESTIONS CONCERNING REPORTS & RESOLUTIONS
